**PRE-CONFERENCE HANDBOOK**  
Things You Need To Know

“With just 3 weeks to go, the Secretariat is prepared to give you a memorable weekend as we welcome you to the most prestigious MUN conference in Europe. We have 1,250 confirmed participants, a 35% increase from last year and a groundbreaking 100 staff members to make this event happen.

This year, we will follow a similar format as last year’s, however the socials will be dramatically changed. I cannot even begin to describe how amazing they are going to be, as I am personally overseeing every little detail for the socials. We will be having a more intimate setting because both events will be exclusive to LIMUN participants.

I can guarantee that every participant will have a phenomenal experience this year. We look forward to meeting you”

Anmol Arora, Secretary General
